Happy New Year to All:

Sorry I wasn't able to send the last couple of weeks. I went home to Illinois for Christmas. After cancellations and delays, I finally made it home for the Holidays. My grandchildren have me neat gifts, the stomach flu, and a bronchial infection that made me lose my voice. For some reason, the men around the park are in favor of this. (Hey? Joe Claude????) But I've been to the Doctor and am getting better.

It is so good to have the Gawfs, the Wabekes, and all of our other Tip friends back in the Park. Forgive me for not coming to see you....I didn't want to infect anyone. The Park has really filled, which is so nice.

For all the tennis players...remember the tennis meeting on Sunday at 4 p.m. in the Arts and Crafts room. Will only keep you a short time. So hope to see you there.

Pam
