Good Day to All:

I can't believe how good the weather has been this past week. It has been in the high 80's with lots of sunshine. Like most times, we have had lots of wind along with the warm weather. Makes tennis a little more challenging. Everyone seems to be so busy having a good time. Here it is February, where has the time gone? Sad to think most of us only have a couple of months left on our stay. We must make the most of our time.

Have a great week. Tennis players, remember Saturday morning rotation at 10 and Valentine Fun Meet at 2 p.m. See you on the courts.....Pam
