Oh My, It's the middle of February! Where has this winter gone????? Why is it that the time flies by when you're having the most fun? We've had such a nice winter, especially when we hear the forecast from the Northern States continues to have record cold, snow, and ice. We must stop and count our Blessings.

For all tennis players: Remember that the tennis dinner meeting will be held the first Sunday in March, the 2nd. Reservations MUST be made and paid \$5.00 @ by this Sunday, February 24 to me, 929 Desert. Dinner will be at 4 p.m. in the Arts and Crafts Room. This will be the final meeting for the season. We will finalize the summer get together, so be sure to attend.

Even though the wind was howling...we had 8 for tennis last Saturday afternoon. This Saturday let's try another Fun Meet at 2 p.m. We're suppose to have nice weather. Remember to spread the word to your teammates who do not have internet.

Nice to see Larry Booth and Cliff Simpson about after their surgeries. I haven't had a chance to see Delores Russell, but she's doing as well. Please let us know if you'd like our cares and prayers if you're going "under the knife." We wish you all well.

Have a good week.....Pam
