Hello: A nice week in south Texas. Isn't it nice that the winds have died, at least for the time being. Received word that Al Head's Mother passed away. Our deepest sympathy to Al and Jane and their family.

We're already missing all of you who have had to leave early. It's still winter with cold weather up north. I also hate the thought of having to pack up, it's a lot more fun here among friends.

To all the tennis players.....March 15, Saturday morning at 10 a.m. Instead of the Davis Cup, we're having the Tip Cup. Players will be divided by their home state or provinces. You'll chose a team captain and decide who plays. (Everyone will get to play.) Check the board and sign up. That way we'll know if we need to combine states. More info later.

Also.....tennis players. We will be taking a picture of all tennis players on the Sat. March 15 for the Tip o Texas booklet. Please bring your racket and join the group for the pic. It would be nice if we had a large turnout to show people what a good time we have.

Have a good week. Pam
