Our condolences and sympathy goes out to Ann Wabeke for Ed's passing. You are in our prayers and Ed will be sadly missed by all. Please know that your Tip Friends are always ready to help in any way we can. Please do not hesitate to ask.

We are all concerned about those traveling or going back home. Would you do us a favor and drop me a line to let me know you've made it safely without any mishaps. We'd also like to hear from you throughout the summer months, people get bored from only reading about Illinois weather.

Freida Robinson went home to Canada where she is receiving treatment for her leg/foot and circulation. She is staying with their son and receiving daily home treatments. Jack should be back this Friday to take their trailer home.

I'm sorry to say I have not received word on Dick Shoemaker. If anyone knows his condition, please notify me. I will pass on any information.

Have a good week and drive safely.....Pam
