Bonnie Christian said the car stickers will be available on October 1. Bonnie also noted there has been an increase in the electric rates. If you pay in September, it will still be 15 cents per kwh and if you pay in October it will be 17 cents. Bonnie asked that residents do not attempt to clean the pool; that is the Park's job and they will do it.

Remember – Bottom Line Band is here every Wednesday night

Thirsty Thursday – Pancake House on Cage. It's under new management and service and food quality improved. Be sure to wear your badge and you will get a \$1.00 off your meal this Thursday. Thursday - 6:30 p.m. Shanghai Rummy in the East End of the Al Barnes Building.

Karaoke every Friday night with Larry Underwood and Yvonne Metten

The "Treasure Table" was set up today.

Joe Strain - Flu/Pneumonia shots - tentative dates are November 3 and December 8. A sign-up sheet will be put up about October 20.

Joe explained the ICE (In Case of an Emergency) program. In case of an accident it has become standard procedure, if responding personnel come across a cell phone, for them to check it for an ICE number. You should store the number of the person you want contacted in case of an emergency under ICE. If you want more than one person contacted, list

them as ICE 1, ICE 2, etc. Joe encouraged every one to store the number for their ICE contact today.

SARA'S REMINDER: I will keep reminding you each Monday about this as we need to get in the habit of stopping at each stop sign. So, please when driving car, golf cart or bicycle or even walking, please obey the rules and stop at the stop signs. You never know who will be backing out of a space and right into you.

Midge Sykes announced there will be a Red Hat meeting following this meeting.

Everyone stood and sang "God Bless America" led by Yvonne Kemper.

Meeting ended at 10:20 a.m

Red Hat Meeting Note - Red Hatters will be going to Mimi's for lunch on the last Tuesday in September. If interested going, call Midge Sykes
