Back from Ireland and had a great time. Every day we had rain, but we also had glorious sunshine with rainbows galore. Quite a humbling site that made you aware that God was there and we needed to hunt for that pot of gold. We traveled 1250 miles around Ireland, even going to Londonderry and Belfast. The Northern part of Ireland is just as beautiful as the southern area. Of course the Cliffs of Moher is a wonder in itself. I love Ireland and its 40 shades of green.

packed if any of you would like a traveling mate.

My bag's still

Now I'm back to reality and marking tasks off before I head to the Tip. Thank goodness we're having beautiful warm

weather here in central Illinois. It has been in the high 80's for the past several days. I know the bottom will soon drop out, but great for fall yard work.

I had a email from Barb Horn about the phenomenon of 5 full weekends in Oct that I wanted to share.

*This October has 5 Fridays, 5 Saturdays and 5 Sundays, all in one month. It happens once in 823 years.*

You were suppose to get big bucks if you forwarded this info to 8 other people....so when my windfall comes in I'll share it with you. (But I wouldn't hold your breath.)

Please remember to save your small sample shampoo and lotions for Kay Peterson's project to help the Battered Women.

I'll see you soon in the valley.....Drive carefully if you're heading south.....Pam

MONDAY MORNING MEETING - September 27, 2010

Would everyone please stand to say the Pledge of Allegiance and sing The Star Spangled Banner

**HOSPITALREPORT - Connie Harmon - Melvin Clark is in the Heart Hospital and doing well. Willard's granddaughter's husband (40 years) old passed away suddenly. Sara's sister, Sue Mead, was in an automobile accident. She has a broken wrist, fractures in her arm and other bruises. Joan Phillips is doing well. Keep them in your prayers.**

**After speaking with Fire Inspector Rodriguez last Monday there was some concern about the fire extinguishers some of our residents had in their homes. Mr. Rodriguez left these gift certificates for free annual portable fire extinguishers certificates. I called and spoke with Albert who told me they not only checked your current fire extinguishers and also sold them. He told me he had one that was \$65.00 - larger extinguisher, he said if you had a fire in the kitchen you would also have enough left to put out fire in living room. Would anyone be interested in purchasing one or would you like a gift certificate to get yours checked.**
