MONDAY MORNING MEETING – Jan. 24, 2011

All newcomers please stand

Would everyone please stand - the Pledge of Allegiance, followed by the  
Star Spangled Banner and O' Canada

**HOSPITALREPORT – Connie Harmon -**

Luncheon today - Beef & Noodles, veg., bread & butter, dessert, drink - \$4.00. Don't forget to keep your ticket stub and check bulletin board by the kitchen. Last week winner Bob Fraizer.

Kitchen – Please - no bills larger than a \$20.00.

**ACTIVITY OFFICE:**

**Before making any purchases get approval from Activity Office.**

**Activity office needs to be notified prior to borrowing tables and chairs. White tables and chairs are never to be taken from A/C room, Main hall or Al Barnes Hall.**

The phone book/e-mail book and activity book are made up during the summer.

Phone book – if there is a change in phone number or e-mail address, please e-mail me with the change and it will be made when book is being written.

**Activity Book:** Prior to residents leaving they will ask for a certain place, time and date for a particular event. If they tell me when the event is to start I will also put that in the book. Due to circumstances the start date can change, along with the fact that they don't get enough interest then the event is cancelled. If you are interested and show up at say the A/C room, Hobby Shop, main hall or Al Barnes hall and the event is not

going on, check with activity office. The time and date could have changed or the event cancelled. Nothing is etched in stone.

Also, if you have a room scheduled for a particular event you CANNOT go into that room, if it is being occupied by someone else, until your scheduled time. i.e. – You have the A/C room reserved at 1 p.m. – if there is another class from 12 – 1, don't go into that room and start setting up until 1 p.m. You wouldn't want someone to come in on you while you are having class so be considerate and don't interrupt their class.

Officer J.C. Aguerria talked last week about the H.E.A.T. Program. I had ordered the registration forms and now have them. Please pick one up if you would like to register your car. This decal gives an officer the right to stop your car if they see it trying to enter Mexico between the hours of 1 a.m. and 5 a.m.

Also, if you are in charge of any event, please let me know if you are running out of anything so I can purchase when I go to store or order from Sysco.

Now that the season has started and we are having entertainment, I will be putting coffee pots outside around the indoor pool area. We did this last year and it was such a success with not only the entertainers but the audience.

**FOR ALL CANADIANS:** I received an e-mail from Barry Guttormson of Hot Winters Travel Medical Insurance. He would like to come to the park for a talk with our Canadians about your travel medical insurance. The talk is 1 hr. long and he will provide snacks and will have door prizes. If you are interested, please let me know and I will call to either set up an appointment for him or tell him there is no interest. Please let me know ASAP.
