Good Morning...I'm glad to say we brought my dad, Shorty Hancock, home from the hospital last Friday evening. His blood gauge is full and as thin as needed. We need to keep Tony Chos in our thoughts and prayers. On Monday, wife Betty said he was hospitalized with pneumonia. This TX Crude is so hard to shake. Several of us are still coughing. Also I saw Jerry Heydenberk in the park. He is doing quite well and surgery went well. Won't be long before he's back in the pool.

A reminder....Tennis Show on Thursday....All opening act performers need to be there for still pictures by 6:15. For good luck I'll say, "Break a Leg" to all performers. To all tennis players....never mind....

Have a good week. Pam
