Good morning from South TX. Weather has been warm, sunny, and very little wind, perfect. Of course it is so very dry, we do need lots of rain. More of our TX friends are returning each day. The park is beginning to fill up. Speaking of the Tip, it looks great. The outside pool is beautiful. They have painted, new furniture (still uncomfortable chairs), flowers planted in new pots, new gazebo, clean, and warm water. What more could we ask for. They have cleaned up the lots, filled pot holes, trees trimmed, everything in Tip Top shape. Looking good!!!

Sad news about Jean Elsesser....we will all miss Jean and Thad.

If you're on your way....safe driving. If you're still up North, sorry about that, you're missing some great weather. Drop me line so we can tell your neighbors when to expect you. Hope to see all of you soon. Happy and Content.....Pam
