Good sunny morning here in South TX. We had a touch of reality early this week with temps in the high 30's, but since then, nice.... I have a request from a past resident, Betty Ryser:

**Hello... I hope this is the right address for the MMM report. I was a resident for 10 years and still enjoy hearing about the happenings at the Tip. I would like to obtain a copy of a video made probably in 1997, of the variety program which included the last dance for the "Tip Tappers" . It was also the last dance by the teacher Lynette Grady as she and her husband moved back home. Other members of the Tappers were Donna Roeder, Peggy Perkins, Ida Hubbard, Louise Dickson, Joan Phillips, Thelma Carl, Jane Head and myself. I wondered if you could inquire through the E-mail if anyone would have this video. I would pay for a copy or buy it if one is for sale. Thank you Betty Ryser**

If you have a copy you can contact her at [bmryser@aol.com](mailto:bmryser@aol.com). It's nice that our MMMeetings filter down to past residents.

I want to thank all of you for your prayers for my dad, Shorty Hancock. God is Good!! Quick update. After 3 ½ weeks the chest tube has been removed and so far he is holding his own. Now awaiting reaction to the start of blood thinners and if the heart is strong enough to keep fluids away. God willing, we may be able to bring him home the first of next weeks.

More of our Tip family are arriving daily. We're so glad to see everyone returning safe and sound. Remember there are several past residents on my mailing list that would love to hear some personal greeting from you. We loved to learn of your summer travels, but would still like to share your winter activities and thoughts. Some (well most) get tired of my rambling. So, have a good week....keep us in your prayers, and remember Christmas is just around the corner. Till later.....Pam
