Happy New Year!! We have had wonderful weather this past week. It is so good to walk thru the park and see everyone with smiles on their face and enjoying the sunshine. This is why we come to South Texas in the winter. We see that several Tipsters have returned in the past few days. Welcome back. We also have several new faces. You know that I'm always promoting tennis, so please pass the word to new residents that I'm just a click or call away with setting them up with lessons or playing time.

With no other news...I'll close, but if you know of anyone who would like to receive the MMMeeting Minutes and are not already on someone's list, please have them contact me and I'll add them to mine. Wishing you a good week in this New Year. Pam
