Good morning. First I want to say that Kathie Hall is nice enough to take the minutes and send them. She has had problems with her e-mail carrier and a few have not come thru. We do want to thank her for taking the time to keep us all inform in the happens of the meetings. Thank you, Kathie!!!!

Knock of wood, we've had GREAT weather here in the valley, especially for January. Sunny, in the high 70's, or 80's, and wind not always a factor. So nice. My apology to all of you who are not able to join us this year.

Since I haven't any news to PASS on (that means none of you have dropped me a line to share,) I'll close with a short update on my dad, Shorty Hancock. He's still having some medical problems and we see several different specialist on a regular basis, but he's hanging in there. Thanks for all your cares and prayers.

Have a great week. Pam
