Burr....In the 20's here in IL with snow. I now understand why the Northerners show no compassion when we complain about the cool, dreary weather at the Tip. First I want to thank all of you for your prayers and thoughtfulness during the death of my father. We left quite suddenly last Thur. Trip was thankfully uneventful and Mom and I endured (or maybe the word is survived) the visitation and funeral. She is a strong lady and doing quite well. We will try to wrap up some of legal ends and head back the first of next week. I don't like the cold.

Again we thank you. Pam and Rose Ann Hancock
