Hello....From Dry central Illinois.....I really shouldn't gripe because we need a rain so badly because I'm not having to mow my lawn....but the farmers in the area are in desperate need of a rain. The corn in the area is just ready to tassel and needs the rain to make yield. We had a possibility of rain on Thursday, but it went around us. My lawn looks like early fall, totally burnt. After seeing the wild fires in New Mexico and Arizona, I shouldn't complain.

If you can see the attached pic, my friend Gwen and I took our 7 grandchildren camping last week. We had a great time and the kids were so good, but then again they were away from their folks. You know how that goes.

This week I took my mother, Rose Ann Hancock to trade cars. Since we traded in the truck, camper, and car we had several things to get rid of (like more than 20 wrenches, and screwdrivers that my Dad had in the vehicles. So that meant we had to have a garage sale. Having worked all week to get ready, the weather cooperated and we had a good day.

I've heard from a few of our Tip Family. Joyce Sauter wrote:

Thanks for sending the MMM I appreciate being able to keep in touch with others in the park. We had a visit from Matt and Mary Kitkowski yesterday and today Butch and Rebecca Wendt stopped in for a visit. What nice surprises to visit with old friends. Many thanks

From the DeVaney's"

Hi Pam

I called Pat Horak yesterday, when she answered the phone she said she was in the hospital. Pat got a new knee. Pat had treatment in McAllen this past March. Still was in a lot of pain after getting home (Ind.) Pat said she may get to go home today (Sunday 6-10-12) .She will have rehab in home for a while. You may want to put this in the MMM report.

Thanks,

John & Elaine DeVaney

We wish Pat the best and a speedy recovery. We also want to wish Thaima the best.

Just received a email from Taima Bergman, she fell while getting out of a swimming pool in her city. Was operated on for a broken elbow. She also cracked her head and bruised her ribs. She was knocked on unconscious. She is still in pain & having home health care helping her out. You may want to put this in your MMM report.

Thanks

John DeVaney

Thanks John for keeping us informed...always appreciate news.

Virigina Imlah wrote: Thanks for the great MMM the little notes you are adding sure make it great. Have a question for you. I've heard a rumor that both Maxine Brooks and Lila Bishop are leaving the park. Have you any further information ? Will hate to see them leave but health wise perhaps it's for the best. Keep up the good work.

Love Ya.

In response...MMMMeeting for the 18th said the Maxine was going to moved to her son's area. I'm sorry I do not have any information on Lila. We will miss them at the Tip.

There was quite a mix-up on a reported story about a drug raid on local channels in McAllen:

Click on KRGVtv.com and see the latest news. Della called and said that there were Mexicans living at 818 Mountain Trail, and the police raided it for drugs and that there were goats living in the house, too. They say Cactus on the news, but it is on Mountain at the Cactus street exit.

Everyone arrested. There is a video too.

Then there was a correction:

The drug raid was not in this park. I have asked channel 5 to correct their story since they are showing a map of the whole road system in the park. Just wanted to let you know that it was on another Cactus in the north part of Pharr.

Thank goodness that Joe and Hilda Claude did not have goats in their unit.....Isn't it unbelievable how things can be mixed up by the news?

We did have a MMMeeting on June 11:

A short note from Jim Raabe:

No MMM this week. No one is sick &etc.. Only about 60 people in park now. Some come, some go.

Maxine Brooks is leaving for a assisted living home in Denver near her son. Norma and Richard Carlson celebrated 70 years of marriage, sweet rolls and coffee after meeting. That's all folks.

Thanks Jim....

I also heard from the O'brien's:"

John asked me to send a note to let you know he has added pictures of the new look of the lobby at the TOT. Looks

nice and bright.

All fine here. Hope all is well with you and that you are having a good summer.

After I sent my previous note I remembered I did not say where John put the pictures. He put them on the picture web page. You might just add this sentence onto the other message. Thank you.

Darlene
