Here it is the first week in Dec. Where does time go? The Park is looking quite Merry with several decorations going up. Desert street residents are considering putting our camels out to pasture (or maybe I should say out to dunes,) but we are unable to come up with another idea. Do you remember a few years back when each street had their own theme? We must admit, it was quite nice.

We've had sad news this week with the passing of several past residents: Elmer Mears, Dean Bender, Joe Kinchen, and Jean Gauger. If you would like any of their obits, please drop John O'Brien obrienjp@drivehq.com

I've been in contact with Joan Craig's son in FL. Joan has been hospitalized due to digestive problems since Thanksgiving. If you would like to drop her a line, Doug Craig's e-mail is jamescraig1@comcast.net Their address is Orral & Joan Craig, 4591 Trawler Court #201, Fort Myers, FL 33919

Orral celebrated his 91st. birthday last week. We wish him a Happy Belated Birthday.

I received a note from Ken and Gloria Reibling: Hope everything is well with you. We have not received the MMM minutes for some time & we were hoping that you were not sick. We are fine & starting to think of heading south. We plan on leaving on Dec. 27 if weather permits. Have had really good weather with only a couple of days with snow. No news, just hoping that all is well with you. Ken & Gloria

As most of you know, my computer crashed and I lost several addresses. The Reiblings was one of them. I'm glad they'll soon be on their way South.

I want to remind everyone that we're having a Chili Cook Off Friday, January 4. We need to find the Master Chef of the "Chili-ville." So please dig out your recipes and find your "pinch of this or that," and join the fun. I'll send more info soon.

Have a good week....Pam
