Hello to all. If you're wondering why you haven't heard from me in awhile..my friend Gwen and I have taken our 7 grandchildren to Indianapolis for the week. Thought you might enjoy a pic or 2:

Inline image 1 Inline image 2

(my 2 are the front row, middle boy and girl 2nd from right)

We have visited museums, the zoo, arcade games, swam at big pool, played soccer, gone to a movie, went shopping at the mall, had a face painting contest, played a huge amount of video games, rough housed and been yelled at by the Ol' Grannies. We really have had a good time. Someone in the group can always think of something for us to do.

I do want to say that Vera let us know that we didn't have a report from last week:

we did not send any out this week. Dave and Joy are gone. We had a meeting but nothing important went on. We now have a police tower in the park, you know the kind they put in parking lots, well it is down by Gerts house. We did have I think 4 break ins nothing recent. It is hot here. Have a good summer.

Vera

I returned from TN. I really appreciate MMM. Thanks for sending it to me

I did get a short note from Dave this week about the meeting, but sorry I'm just now getting around to sending. It sounds like it's really layed back at the park and most everyone just taking it easy.

Delia Oberlah is having a 80th birthday on July 13.

Her address is 1111 Humiston Ave., Worthington, MN 56187

Lavon called the meeting to order. We said the pledge. Someone said that Hugh Insail is back in the hospital. Roy the maintenance man is home. Evie said a prayer. Lavon and Janice are leaving for California, his brother is ill.

Al asked us all to check on each other in the park, as a lot of us are alone. He also told us about an officer that has taken it upon himself to help us with the breakins. On his free time he checks on the outside of the park

and the inside. We have been having patrols in the park as well. Al also asked us to write down the serial numbers of new items as we buy them (TV, tool and etc), because the young man that is helping us can check

pawn shops for serial numbers. This officer is doing this on his own time. We thank him very much.

I haven't heard from anyone, so sorry I can't pass on any info. Hoping your weeks have been good. Please drop me a line and we'll let all your Tip friends know how you're doing. Wish me luck for the next few days of grandkids. Pam.
