Back in Illinois and back to work. Even though areas of the US and Canada are in stress due to lack of moisture or too much rain, Central Illinois crops are look'n good. We do thank the Good Lord for weekly showers and more are expected today. Of course the lawn and the weeds are also enjoying the rains. So that does mean more work, but who's complaining??

I so enjoyed our trip to Canada, through Yellowstone, down to New Mexico, back to Denver and Rt. 36 back to Illinois. We drove over 5,400 miles without any trouble. Fun trip with lots of memories.

I need to pass on a message from John DeVaney:

Would you be so kind to put a notice in your MMM letter about the problem I had. My E-Mail was hacked & I lost all my contacts. Any of my friends at the TIP would send me something on my new E-Mail address & I can put them back on my list. That would be a big help to me. johnelainedevaney@gmail.com

Thanks

Please drop John a line so he can add you to his e-mail list.

I did hear that the Chapman's are back from their River Cruise and had a great time. This may be a trip that more of us should look into. Please let us know what you've been up to this summer. It's almost August, summer is flying by. It won't be long..... Have a good week. Pam

MONDAY MORNING MEETING, July 29, 2013
