More Sad News. Hopefully you received the note about the passing of Barbara Raabe. I have learned that: DELBERT WEITZEL. PASSED AWAY AND I DON'T THINK WE SENT THAT NOTICE OUT. DELBERT WAS THE ONE WHO SHARPENED KNIFES AND SCISSORS AT OUR CRAFT SALES.

Via John O'brien:

And just got word that Bert Lavoie passed away in his sleep on Monday, Oct 15 from his son Bruce via email.

This was not the best of weeks for the Tip. Let's hope only good news for awhile. I still have not received info on Barb's services.

On a lighter note, I received this from Clarence Weber, always good to hear that they are doing well:

T thanks Pam for all your time and effort getting the emails to us,Laverne and I, It sounds like you had a real adventurous and beautiful summer. I came across this prayer that I thought about all our friends at the Tip,if you would like to share it with them for your Monday morning meeting some time. It goes,

I Said a Prayer For You Today And know God must have heard, I felt the answer in my heart although He spoke no word. I didn't ask for wealth or fame [I know you wouldn't mind]. I asked Him to send treasures of a far more lasting kind! I asked that He'd be near you at the start of each new day; to grant you health and blessings and friends to share your way! I asked for happiness for you in all things great and small . But it was for His loving care I prayed for most of all. Our prayer for all at the Tip, past and future, Clarence

I also received this from Mary Mitchell, safe travel on your way down.

We have had a great summer at our tourist camp which we closed up on September 26. Lots of good fish--walleye-- to eat! We hope to be down at the Tip around the first of December. We are looking forward to seeing everyone again.

Regards,
Mary Mitchell

For some good news: Jana Fleming wrote: I hope the picture comes through. I visited with Onalee yesterday at her house. She is in great spirits and looks good.

Her last radiation treatment is Thursday, Oct. 24th and will be leaving for Texas the first week of November.

I also had a question from Charlie Craig.

Never any idea where you are. Hi Hi Like to hear all about your trip to China. I have a question. I have heard that Carilyn Glass was in an accident and it recovering from a broken hip. The word is that she is in a nursing home however do not have an address. Have you heard any thing about this. I e-mailed the Nessbitts however I was later informed they are traveling.

I talked to Gene McDaniel today and he sounds much better than when I visited him a couple of months ago.

Are you packing for the trip to the TIP. How is Mom and when is she heading to Texas.

Not looking forward to any of that white stuff. No plans on heading to Texas yet.

Take care TTUL

73 Charlie

We are wondering if anyone has heard about Carilyn Glass and if it is true about an accident? We are glad

to hear that Gene McDaniel is doing well. We hope Charlie joins us soon. Indiana winters are not nice.

Hopefully next week I'll be at the Tip and can send the minutes first hand. Wishing all safe travel.....Pam
