Good Texan Morning....How great it is to be back in our Winter Home. I shed my long johns in North Texas and put my shorts on in San Antonio. Travel was (Thank the Good Lord) uneventful. Isn't it always a pleasant site to see those palm trees in the median when traveling south on 281. One feels like you're home.

Sorry, I haven't heard from anyone so my message is short. Don't say yea! Have a good week and hurry down to the sunshine and fun. Pam
