Happy Early Thanksgiving. To begin with, Larry Booth has returned home after hip replacement and is doing very well. Second I learned that Sonny Bryant fell and broke his upper arm. He had surgery today, but I have not heard how he was doing. Next I heard Carylin Glass is still in rehab after her car accident. She had her pelvic broken in two places and one part has not healed as they want. She would still like to come down sometime this season and we're hoping she can.

The last few days have been cold and rainy. The temperature dropped about 30 degrees in 20 minutes and poured down rain. It has drizzled ever since. We're hoping for warmer weather tomorrow.

Have a good week and for all of you who are traveling after Turkey Day, please drive safely. Pam
