Yea for the sunshine....We need to take advantage of this weeks weather, sunshine and 70's. It makes everyone smile again. More new and old residents are arriving. Even though several are traveling home for the Holidays, the park seems to have come alive. It's so nice to see all the Christmas decorations and people sharing the Holiday spirit.

I received a nice Christmas card from Clarence and Laverne Weber addressed to all Tip Residents....It is posted on the Church board at the hall. Thank you Clarence and we too wish you a very Merry Christmas.

We have several special events coming up these next couple of weeks, so be sure to mark your calendars and come join the fun.

**For all you husbands....remember there's only 8 shopping days left!
(thought I'd throw that in gals.) Have a good week. Pam**
