**Happy New Year!!!! Last meeting of 2013, where did this year go??**

**We've had 36 hours of continuous rain and predicted 36 more. The park looks like a shallow lake...for some reason the majority of us do not own waders. Since most residents have to slosh through the puddles to get to their cars, they are staying inside. Hopefully they will brave the weather to enjoy the New Year's Eve's activities.**

**For all of the past residents who are not able to join us at the Tip for one reason or the other, we miss you and want to wish you a Healthy, Prosperous, Safe 2014. Please keep in contact and let us know how you're doing.**

**There are lots of planned activities coming up. One I'm pushing is the 2nd Annual Chili Cook-Off. We need to find the cook who makes the best chili! I know there are many of you who have favorite recipes. Please sign up and let us taste your special soup. For the rest of us non-cooks, come be the judge and decide whose chili is the best. Mark your calendar for Friday, Jan. 10. Tickets will soon be for sale at the activity office and next MMMeeting.**

**Enjoy the first week of the new year and appreciate each day. Happy New Yer. Pam**
