Well another week and it's still rainy and chilly. Wish we could have more than a day or two of sunshine during the week. It is sad to think we're approaching mid March and season is quickly coming to a close. We must remember that even though the calendar says Spring is right around the corner, it is still COLD up north.

For those who have to leave us...please drop me a line so we know you have returned to your northern home safely.

Have a good week....Think sunshine!!! Pam
