Good Morning All,

Cool and rainy for the last few days here at the Tip. For those who are packing to head North, this may ease the pain of having to leave. And, for those of us sticking around for awhile, it's just another week of up and down temps. So be this year's season.

We've heard sad news. Earl Rodgers age 89, long time resident of the TIP, passed away after a short illness at his son's home in Waxahachie, TX. He was preceded in death by his wife Harriet.

If you would like to send your regrets to Earl's Family:

Mike Rodgers
680 Grove Rd.
Waxahachie TX 75165

The obituary for James Collier along with others is posted on the Tip website, totfyi.com Please check the site for updates, in park information, and of course pictures of all events. Thank you John O'brien and Rene St. James.

If you're heading out, remember your Tip Family wants to hear that you've migrated safely. Please drop me a line and I will share with all. Safe travels for all who will be leaving this weekend. Have a good week.
Pam
