Good morning, y'all from Dallas TX. 39* here this a.m. Knew I was leaving the Tip toooo soon. At least the sun is shining and hopefully will warm up. The hospitality here at Camp Chapman is beyond compare. Accommodations are 5 star and the meals are top notch cuisine. Golf, tennis, and shopping on the list of activities....what more could I ask for?? Thanks Marvin and Zee.

It was so nice that many of you notified us of your travels...I will try to include the notes. Forgive me if I have overlooked any.

Char & John Salewske

We arrived home Apr 8th. On our travels spent a few days with Daughter Lori & family in Katy, TX to help granddaughter Claire celebrate her 8th birthday.

Then spent a few days in Wheaton, IL to help daughter Dawnelle & family resettle into their completely remodeled home. Since Oct they've been living in their basement, amongst many many boxes!

Left Wheaton Monday am. Stopped in LaCrosse, WI to see Peggy Lawrence & Ken Childs our Spanish instructor.

There is still ice on the lake & a few patches of snow. Suppose to be 70 today so hopefully it will all melt!!

Hope all is well.

Kay and Duane Betker

Hi Pam and everyone else. We made our return trip to Minnesota just fine. Got home on Sunday afternoon on April 6. The roads were dry all the way. First sight of snow was an hours drive north from Des Moines IA along the fence line. We still have two to three feet of snow banks here in Elk River. We hope everybody will have a safe summer and we will see you in November.

Lois Doubet

My son came down and we drove to his place and I spent a few days there with them. I'm in Illinois now and it is feeling like spring!
Love, Lois

Butch and Rebecca Wendt

Thanks for the MMM! We arrived home March 29th, only had a little rain. Stopped at Ed & Cathy Walden in Oklahoma. Went out to eat, ATV thru their farm and got to see all their antique cars and diecast cars, etc.
Sure was fun!

Tom and Jeanette Bell

Hi Pam, We arrived home safe and sound. We stopped to tour the Goerge W. Bush Library in Dallas. When we got to Olka. we drove through a rain storm,was worried about a tornado, we did pull off the highway a few times. Weather has been great since we got home, in the 60's every day.
We hope all have safe travels.

Mike and Claudette Martel

Hi Pam...just to let you know that after 5 days on the road Claudette and I made it home after a short stay at Claude and Claudette Roy in Michigan...we had a good ride but the only eventful thing that happened was the sun shinning in Michigan...wet and cloudy the rest of the time and no need for the sunglasses...there is still snow on the ground and going to 28 tonite...it was really a good time for us to travel...have a wonderful Easter everyone and a wonderful

Summer....C U All in the fall, the good Lord willing....Mike

Bob and Alta Hough

Just a short note to let you know we made it home on Thursday evening around 9:30. Irene did good the first day, but oh my gosh the second day. A semi tried to run me off the road, he was passing me and decided to pull over before he was only half way around me, good thing I was paying attention, had to take the side of road and put brakes on hard. No I didn't do you know what in my pants, but close. haha. The weather was good all the way home. Take care and have a good summer. Sue and Mary Ann also made it home Sunday and had a good trip. Bob, Alta and Irene Miss you all, but good to be home. Got home around 9:30 on Thursday night. The Kids had groceries in the house for us and they had my yard all cleaned up. Kids and grandkids came over most of the day on Friday, guess they missed us. It was 80 here today. You can add this to the note I already sent. take care. Alta

Roger & Virginia Van Alstine

Pam, We went by way of Rochester, MN on our way home. Roger had doctor appointments April 7th. He had a procedure to take care of the stomach bleeds and had another blood transfusion. We are to go back in 2 months for a checkup.

We had good roads all of the way. The last day we had strong winds that made driving harder. We did not run into any snow or hail or tornadoes. God was with us as we seemed to drive before or after the bad weather.

We arrived at Piedmont, SD on Wed afternoon. It is cool, but Roger still likes to wear his shorts. We look forward to seeing you all next season.

Merle and Marian Thompson

Hi Pam, just a quick note to let you know we made it back safe and sound. The weather is a lot colder here than in TX. Burr! < not much snow on the ground anymore but the lakes still have a lot of ice on them. Thanks for everything again and hope to see you in the Fall.

Charlie Craig

Sorry I have not sent you an e-mail till today.

Arrived home on the third of April and till to day I did not have access to e-mail. They kept saying the trouble was on my end and the first they could send out a repairman was on the 14th. I recieved a call today saying it was fixed. Well guess what. The internet worked however I could not access the e-mail. Cone to find out they had changed my pass word.

Stopped and visited Gene McDaniel. He lis doing pretty good. Also stopped and visited family and arrived home Thursday Pm.

We had a good trip home, only a little rain. Yesterday day is was nice here, then it started to rain early evening & is now cold 38, but like the TIP it will warm up in a few days. Thanks for posting the pictures from Elaine's B/D party.

Judy Burnham

I am finally getting thingd caught up round here. Spent most of Sun. afternoon working on getting the leaves out of the flower beds and the branches removed from my lawn. It's all done for now and I suppose the yard will need mowing in the net couple weeks. What Fun!

All ya'all take care of yourselves and I can't wait to get into my unit in the fall

Jim and Carole Stiltman

We got off earlier than we expected, around 10:30PM Saturday. We arrived in West Memphis at 3:30PM Sunday. It was easy sailing the next day to Illinois. Our car acted up again when passing and going up hills during our travel(dogs) so Jim is going to change all the plugs and coils today. Our king bed was a delight last night and we truly enjoyed the slumber.

Take care and have a safe trip. Carole & Jim

Thanks for letting us know you have returned home safely..... Hoping you have warm Spring weather to get your homes in order. Now it's time to start working again. Have a good week.....and Happy Easter!!!! Pam
