I hope everyone enjoyed their 4th of July. I personally enjoyed 3 days at the lake with family and grandchildren. What a great weekend.

Sad news to report. Wayne Nesbit passed away this past week. We would like to express our sympathy to Joan and her family. For those who wish to send her a card. Her address is 65 Lawrence Lane, Vernon, BC CAN V1H 2H4.

Another prayer concern is Pat Allison's daughter This note was passed on by Mary Olson:

My daughter in Nashville is in the hospital again; she has had fluid buildup in her lungs and abdomen, from the cancer, and got so dehydrated because she couldn't eat and drink enough. Please add her to your prayer list.

.It looks like the park is going to be a really different place, so many people gone and not returning. Hope we are all able to return. Depends on the health of my daughter.

Ruth Bryson isn't sure she can get there either, because of the health of her daughter. Just pray for the best, I guess.
Pat

I did get a nice note from Orral Craig. He always had a wonderful sense of humor and was never lost for words:

Hi Pam,

Joan and I really appreciate the time you take to send out the MMM weekly updates. As you know we were at TOT just long enough (22 years) to make many friends and even irritate a few people !! We sure enjoy hearing the latest news about Tipsters and the park.

Contrary to popular GOSSIP - we did not fall off the edge of the earth, kick the bucket, get lost, or enter the witness protection program. We are hiding out down here in the swamps of southwest Florida. We have a cook stove, ice-box cooler, window fan and a dry thatch roof; plus warm gulf breezes to keep the flies and mosquitoes off of us.

We have also entered into a peaceful arrangement with the boa constrictors, wild hogs, alligators, and bull sharks. We wish you and all of our TOT friends all the health and happiness you require & deserve.

Best to all

Joan and Orral Craig

PS Please do not let my kid brother Charlie know our whereabouts as I owe him some gas money.

Connie Harmon's birthday is this week. I received this request:

Connie Harmon will celebrate her 75th Birthday on July 9th.

Most of you know Connie through her work with the Church, her hundreds of hours of Hospital Visits, her teaching Bible Study, Ceramics, or Basket Weaving. You also know she is a loving, caring, giving, compassionate person whose health is failing.

Let's shower her with Birthday cards (101 E. Sioux #1089 Pharr, TX 78577) or electronic cards to mharmon715@sbcglobal.net or just a brief note. We think it would do much to cheer up her day.

This is a request from her youngest daughter, Tricia Harmon-Quinlivan and her friend Beverly Elliott.

Thank you.

I was wondering about Ed Ernest's condition after out patient back surgery. Hopefully it was successful and Ed is without pain and able to back winning at the poker table.

Wishing you a good week. Pam

There was a lot of discussion at cards the other night about Park over 55 rules?? The park is a retirement park and not an over 55. Visitors of more than 2 people per house hold are restricted to a two week visit. No limit on number of weekends people can visit,

but they must have badges or armbands available at the gate if the office is not open and they intend to use the facilities. It would

be much better if you made arrangements in the office prior to your visitors' arriving for a weekend. Al will review the rules about

guests and get back to us.

Peter Piper Pizza will be Tomorrow at 11:30AM at PPP on Pecan and 10th St.

Video room opens on Mondays only after the meeting for a short time.

Thirsty Thursday: Don Pepe's on McCall Rd.

Joe Strain sent jokes to be read and we left with a smile on our faces.

Meeting adjourned
