Hello from a hot, sultry Illinois. You know how I love hot weather...but this 95* with 100% humidity is almost more than even I can take. It's been this way all week. I've been trying to redo a couple of rooms and I can't get the paint to dry.

Remember that I leave this coming Friday for Australia and will not be on the web for almost 5 weeks. Dave Ochs has been kind enough to take my Tip list and will send the minutes out to you. Please accept any of his e-mails. dnjochs@gmail.com Thank you Dave for keeping everyone informed. If and when I get service, I'll try to drop you a line.

Joyce Sauter wants all Lion members to be informed:

Just wanted to send you a note to include in your MMM news for next week. Several people last spring expressed an interest in having a Lions Club meeting at the park for all those who are Lions members. If you are interested in doing this, bring your Lions shirts, vests, pins etc. and we can get together and see what kind of meetings we want to have.
Lions Dave and Joyce Sauter

We are going to be back in the park on October 2, see y'all soon.

I'm sorry to have to ask you to hold all e-mails for a time. I will be back in the States on October 6. Everyone take care, be safe, and start packing for the Tip. I hope to see all soon. Pam
