Good cold morning again!!! Strange season we've had. I had a snowy picture from Pat Allison and this cute note:

Oh for the 50's! It is to go to 12 a couple nights. I have trouble keeping warm even in the house. We may get 1-3 inches of snow. No me gusta! (I don't like it!)

I know we shouldn't complain, but when it was 80 on Sunday and then drop to the 40's overnight...just isn't right. Also heard from some ol' friends from Canada:

Pam, so enjoy reading the minutes of the meeting. Thank you for keeping us in the loop as we miss everyone at TIP and enjoy the news. The weather here in Ontario Canada is record cold and snowfall, so whatever weather you have, enjoy it!! lol

If the news next week is good about Rick's ulcer, we hope to get out of here at the end of the month to somewhere warm. Warm, I ask "what the heck is that??? !!"

Sorry I will miss the tennis show, but TIP has so many talented tennis players, I am sure it will be a huge success!!!!

Keep warm,

Rick and Lynne McAloney

Please keep those notes coming....we all enjoy hearing from our past Tipsters.....I'm trading Texas chill for Florida cold until next week. Keep the home fires burning. Pam
