

A brilliant good morning to you. Even though we've had some overcast clouds and a little wind, we've had perfect high 80's weather. Just what we ordered. Of course several residents have headed for their northern homes. Thanks to those who have dropped me a line to say they arrived safely.

Hi Pam, almost forgot to let you know that we made it home safe and sound. Have been busy doing catch up since the weather has been so nice. Hope everyone has a good summer, stay well, stay out of the storm paths, and we will see you next fall. The Tibbetts

Jeanelle Barry:

Just a note to let you know that Ralph and I made it home to Iowa this past Thursday afternoon. We had good roads all the way for which we were very thankful. We now have Tx weather, misty and in the 50's all week.

Just a note also about our great grandson Elliott. Seems his body got tired of that feeding tube so pushed it part way out on it's own, and the ER did the rest. Got to hold and love on him Friday afternoon. Now we are busy with the 6 month doctors checkups. Soon we will get to see our other 3 great grandkids too.

Trust all have safe trips home.

Ralph & Jeanelle Barry

Our prayers for continued health for their great grandson.

Dear friends of many years in Tip O' Texas ,

We arrived back in Southeast Missouri on March 26th at 4p.m., after staying overnight in Corning, Arkansas to avoid the tornado's and bad weather going on in Oklahoma and Missouri. If we had tried to drive on in on the 25th, we would have been in the middle of the storms. We have had some cool 37 degree temp's since arriving in Cape Girardeau, Mo. Also a 3" rain and also several days of 70 degree weather. We are looking for nice weather for Sunday (Easter) and know you will have a great day wherever you may be. We will attend church service with our son and family.

Tonight at 6 p.m. I will play my accordion at the Southside Baptist Church open mike night. This is always the first Saturday of each month, and have about 20 people taking turns with the mike. This church is trying to bring new members to their church with this singpersation time. (not spelled right).

The sun is shining and looking good for the day. Have a great weekend. Sure will miss all of you in future winters at T.O.T. Thanks for all the enjoyment we have had together these past years. If and When any of you are passing through our area on I-55, let us know. Will be happy to see you anytime.

Blessings,

Lee and Mary Olson

Hoping the Olson's will come for to visit us next winter.

My neighbors, Lois and Gordie Skinner sent:

We arrived home safely and already missing you all. Thanks for sending the mmm minutes makes us fell like we are there have a good summer see you all in the fall

Short note from the Beckers:

We returned to Ohio on Saturday safe with good traveling weather.
