**Good Morning from Central Illinois. Like always I returned from Wisconsin in time to mow the yard and tackle the fast growing weeds. Do you ever wonder why your lawn doesn't take a vacation from growing?? (probably not!) Anyway, I heard from Hope Bradford. Several have been asking about her condition after her wreck. First from her son, David:**

This is hope's son David. hope's address is 711 Royal Forest Drive Auburndale ,FI 33823. She was in horrific car accident. Hit by a motorcycle that was racing another motorcycle . They were going in excess of 120 mph. And one T-boned mom on passenger side of car, she was driving. Cyclist died on impact . Hope was in icu for 11 days than trauma unit for week. Now she in spring lake rehabilitation center room 106 1540 6th street, N.W. Winter Haven, FI 33881

**And from Hope herself:**

Thanks pam for all you do keep ing us up to date with our tip family. ThNks. I am on the mend. Love and thanks for prayers. Hope

**Please keep Hope in your prayers for continued speedy recovery.**

**I also had inquiries about our dear friend Barb Horne's surgery.**

**Barb wrote;**

So nice to hear from you. The surgery was for rotator cuff and it went well so far as I know. Doctor said it will probably be 5-6 months before I will be able to play tennis again so I am stoked. Maybe I'll even be able to hit the ball this year!!

All is well here - people still leaving so it's pretty quiet. Take care of yourself and have a GREAT summer!! Barb

**It was nice to hear from Joyce Sauter:**

We are living with our son in Farmington MN this summer (sub of the Twin Cities). Dave is not allowed to walk alone so he is running my legs off. LOL Have him in day care a couple of days a week and have help from family so things are going pretty good. It finally got warm here yesterday 93, it felt sooooo good. Hope all are having a wonderful summer. Dave & Joyce

**Good news was received from Mary Olson:**

Pam, Lee's dr. has cut his AFIB medicine in half so he is feeling much better.

Thanks, Mary

**I want to thank those who help update my e-mail addresses.**

**Note to all living in the flood plains, please let us know if you're still afloat. Have a good week. Pam**
