**Good morning from Central Illinois.**

**We have had warm weather with lots of humidity this past week or so. I know it is nothing like Dallas and the Southern States, but still enough to have Mid westerners complain.**

**To begin with, I would like to pass on Mike and Claudette Martel's address in Canada. They recently lost their daughter to cancer.**

**680 Quae Quae Road**

**Corbeil ON POH1K0 (The 0 and 1 are numbers not alpha)**

**I recently received a note from Jim and Linda York:**

We are at Karin's tonight and leave for Toronto tomorrow and to Antigua on Saturday. It is cooler there today than in Manitoba. 40 degrees heat index for the last two days. Our house still hasn't sold so will hope for good news when we get back. Life at the cottage has been great. We are planning to head to Texas after our Thanksgiving then return home to move into our new place

**It sounds like they too are making new beginnings in their book of life.**

**Sorry, no other news to pass on. Hoping it won't be long before we all meet back at the Tip.**

**Remember, we still need volunteers to fill the chairperson of several activities. If we all give a little of our time, we can make the Tip "THE PARK" to spend your winters.**

**Have a good week Pam**

- The palm trees will hopefully be finished either tomorrow or Wednesday at the latest. (Pictures on [Facebook!](#))

Alice Souigny: Asks that residents keep her and her family in their prayers. Due to familial financial commitments it is difficult for Alice to pay for the upkeep of her lawn.
