

MONDAY MORNING MEETING MINUTES – August 31st, 2015

Robert and Amanda McMasters -- Activity Directors

PLEDGE OF ALLEGIANCE

PRAYER: Bob Wyant

MANAGER'S REPORT: Al Seprion

- 150 people on 115 sites
- The rumor that Wilder is turning TOT into a family park is not true. Al takes responsibility for any discrepancies and is working to correct the situation.
- A pool compliance officer from the City of Pharr was anonymously contacted about a potential safety violation. An inspection was performed and no violations were found and he reported that the pools looked very well-maintained and clean. Al requested that residents please contact him first with their concerns so that he can try to address them. If concerns have not been addressed after time, then it is appropriate to contact someone higher. Thank you.
- The folks fixing the streets might possibly be at TOT towards the end of the week.
- WiFi has been hooked up into the main office and we're waiting on Time Warner to come and complete the hookup for the park.

SPEAKERS:

- Vera Janis: She recently spoke to some people who were using the pool to politely ask whether or not they were residents and to make them aware of the park rules. She encourages others to do the same.
