Back from an exciting time in Wisconsin, BUT...while there I was clumsy enough to have fallen on the dance floor. Now I have to wait till the orthopedic doctor reads the MRI next week to see if I have to have surgery on my rotator cuff. So poor me and all those around me when I won't be able to play tennis or golf for the next several months. So now I'm asking for prayers for myself. I am keeping a positive attitude, no matter the outcome.

Cindy Schouten sent the following note about Arvid:

Just thought I would let you know Arvid is having full knee replacement surgery on Wednesday and could use some prayers. Thanks, Cindy

I haven't heard from them to see how the surgery went...but will try to contact Cindy for info.

I don't usually get political, but I received this "Chuckle of the day" from Mary Olson:

Bill Clinton tried to cheer up Hillary this morning

by reminding her Nelson Mandela got elected

president after he was released from prison.

Finally a note from Sonnie Bryant. (Note I have not sent this part to Shirley and Sonny, so let's try to keep this a secret.) Please note she would like them sent by the 18th.....

My name is Sonnie Bryant. I am the daughter of Sonny & Shirley Bryant- TOT residents. (although due to health reasons, they were not there last year).

I would like to ask a favor of you. If you would, please ask you members (that know Shirley Bryant) to *email their favorite memory (or memories) or thing about my Mom (Shirley Bryant) to me on or before September 18th. */

/I would like to take the emails- print them and put them into a book for her. I know she loves you all dearly, and I am sure she will cherish the book. This is a surprise, so please don't tell her, if you happen to talk to her. However, I would sincerely appreciate it if you would pass this email on to others who know Mom. I am very limited to contact info (email addresses) of her friends./

My email address is *sonnieintL@aol.com

Again, PLEASE email your favorite memory (s) /thing about Mom to me ON or BEFORE September 18th. //THANK YOU SO MUCH for your help! I know she will cherish each and every one of the memories that I receive!!!/

Wish me luck this coming week that it's only a minor tear.....Pam
