Good morning.....First update on my shoulder (You did ask "How are you?" didn't you?) Bad tear of the rotator cuff. Surgery is needed with 4 to 6 month rehab. Surgery could be mid next week, awaiting test results. Planning on rehab in TX, if all goes well. Wonder how long I can milk the invalid, to get sympathy? Maybe at least through a few "Happy Hour" invites..... kidding....

FYI John DeVaney has dropped me this note:

Ron & his wife were at our park for several years. They sold their unit a few years ago. Their son Randal passed away. You may want to post this in the next M.M.M. site

Thanks

John DeVaney

Randal L. Dively, age 50 of Monroe, died Wednesday, September 23rd at Karmanos Cancer Institute, Detroit, Michigan after fighting a courageous 6 month battle with cancer.

Randy was born January 18, 1965 in Altoona, Pennsylvania. He was the son of Ronald and Edrie (Powley) Dively.

Randy was a 1982 graduate of Hollidaysburg High School in Pennsylvania. A year later, he enlisted in the United States Navy, serving 6 years from May 1983 to May 1989, obtaining the rank of Electrician's Mate First Class. He was stationed on a submarine USS Augusta SSN 710.

Thank you for your notes of encouragement...please keep me in your prayers, remember to collect those little shampoos on your travels for the battered women, and have a good week. No other news to report. Think Tip and safe travel for all those who are fortunate to be able to join our TX family in October. Pam
