Good evening, all. After an MRI, CT scan, EKG, 2 stress test, x-rays, and blood test, it is a go for my shoulder surgery tomorrow. I will try to keep the minutes coming your way, but typing may again be a problem. So, hang in there with me and I'll do my best.

We want to wish Merle and Alice LaCoursiere a happy 60th anniversary. We'll all have to celebrate when we're all together this winter.

John O'brien has good news for us. The Pharr Public Works Director sent John this letter regarding the traffic light on Sioux and Sugar;

Hey John, great to hear from you. Signal is up and flashing red, it's mandatory to flash as warning for upcoming signal controlled. The flashing period should not exceed 14 days and should be fully actuated there after.

A little information for all of you Tipsters who are fortunate to already be at the Tip.... South Texas College Theater is presenting Crime and Punishment Oct. 15-17 at 8 p.m. and Oct. 18 at 2 p.m. at Cooper Center for Communication Arts on 3201 W Pecan Blvd, McAllen. Admission is only \$5.00. Should be a good play.

Sorry to admit, I don't have any other post. So, please keep my in your prayers tomorrow morning. I'm sure all is going to go well. Hopefully I'll peck out some notes next week. Safe travels to all who are heading south.....Pam
