A great Good Morning from the Tip. We arrived to sunshine and warmth Sunday afternoon. It's good to be back home...of course now it's time to work and clean.

I received this note from Sandy Wiskman:

Do you know of any units for rent this winter? Looking for January and Feb. Sandy Wickman [715-349-8754](tel:715-349-8754)

If you know of a unit, or have one, please give them a call.

Only one more week of wearing a sling, then I'm off to physical therapy. Wish me luck. Thank all of you for your cares and prayers. Appreciate all the help I can get.

Safe travels on your way to join us. Remember those little freebies at the hotels for the battered women's shelter. Have a good week and hoping to see you soon.

Off to exercise class (since tennis is on the back burner for awhile.

Pam
