Can I blame being old and blonde for forgetting to send the minutes? Sorry....thanks for the reminder.

I received the nicest note from long time resident of the past, Lil Graham:

Pam, I was so happy to read that Bill and Jackie Roll had recently celebrated their 72nd. Wedding Anniversary. How wonderful that they are both here together to celebrate that special day! We were neighbors for a few years at the "Tip" and enjoyed their company.

By the way, I am fine. I am settling into a new lifestyle in a retirement community here in Baton Rouge, La near my son. I am living in an apartment for the first time in my life; have more activities going on here than I can keep up with; and everyone is so friendly!

Of course, I will always miss the Tip-O-Texas, and my lifestyle there with George.

Here's a big "HELLO" to all of my old friends and wonderful neighbors!!!!

Jim and I made it home safely Tuesday afternoon. Travel was great until we enter AR and it poured all the second day of our travel and Sue Edgar followed us in her car faithfully even when our GPS gave us the wrong directions. Illinois was sunny and a warm 50 degrees today, April the 12th.

For all of you who remember the Tunins, We always enjoyed John playing tennis. Bonnie wrote:

Please add me to the email list for the Monday Morning Meeting notes... bonnietunin@comcast.net

Also please remove my husband John's email (john.tunin@frontier.com) as he is no longer able to use a computer.

Thank you,

Bonnie

For some reason I have lost my messages from both the Simpsons and the Crimmons. Chuck and Pat and Cliff and Delores all returned safely to their northern homes. Miss all of you.

Again sorry about the delay....Have a good week and safe travel for those leaving soon Pam

I sure hope those of us still here at the Tip are resourceful enough to entertain ourselves. There is not much going on. As a suggestion, I have heard of two newer restaurants you might want to try.

Which Wich on Ridge Road west
Tower (ask Roger where it is.)

Dave Ochs began the meeting with the pledge and the hospital report.

Jeanice Walters is having back surgery this week.

Heather Merkau fell and broke her leg. They are still back north.

Sherri Dickey is back in the hospital.

Joe Strain's Mom (age 103) passed away in Virginia. Joe and Arlene have left for Virginia.

Paul Barcenas said a prayer. Please keep those with health issues and those who have lost loved ones in your prayers.

Ed gave the office report. 120 residents on 76 lots. A lot of painting of the buildings is happening. Watch out for scaffolding, paint drop cloths and of course, dripping paint. (It really looks nice. Fresh and Clean.)

Marilyn Strandberg will be making the last trip to the food pantry this week. Please leave unopened food items on their porch. Also, please watch out for places to visit and places to eat so those here during the summer can enjoy new places. Watch the Monitor and the news on TV. These might also be places to visit on bus trips in the

fall.

Speaking of restaurants - Marilyn suggests Buckaroo's on Nolana. This is an outdoor restaurant so plan your visit when it would be pleasant to sit out under the trees.

Thirsty Thursday will be at Tony Roma's by the Mall. The one up north is closed. Sign up if you are going.

Woodshop 50/50 went to lot 998

Safe travels to all who are heading for their Northern home this week. We will welcome you back in the Fall!
