I was concerned that I hadn't received minutes from Pat Horak this week. Pat responded

Sorry Pam. I missed the meeting Monday. Jammed my left hand ring finger somehow on Sunday and spent Monday morning at Urgent Care having my rings cut off. My finger was like a piece of cement and turning purple. Not good. Pat

We hope your finger heals....those of us who have had rings cut off, feel your pain. The Horaks will be leaving the park for the summer this Friday. We wish you safe travels and appreciate all your hard work taking the minutes every week and keeping us informed of the park's happenings. We also thank Dave Ochs, in advance, for taking over your job during the summer months.

I heard from Sharon Bramlett:

Made it back home in MO last Monday. Good trip! Beat the rain in Houston. Next season will be here before we turn around. Have a great summer.

I think you were one of many who did not receive a message from us But the first one was all wet from tears so I will resubmit with a smile

We are safely home. Doing some remodeling which has kept us busy. Spending money always makes me happy Ha

It was emotional leaving the Tip after so many years but the memories are tucked in our hearts from each and everyone who put one there

Thank you Desert for the going away party it was awesome

We look forward to MMM news on Monday

God Bless and thank you

We all hope Marty and Eilene are able to return next season in a rental. They will be sadly missed.

Ms. Eilleen Baylis had her 91ST birthday here in May. We wish her a happy belated!!!!

Joan Guthrie had a safe trip home:

, I left TOT 4/16 and arrived home to MI on 4/19. My friend Marty flew down to McAllen to drive home with me. We had a great trip. We decided not to go through Houston Or Dallas , thank heavens. We hit a little rain on the way to Texarkana, but nothing bad. I didn't get to say goodbye to some of my friends, so I'll just say ,"hope to see you next year! love,Joan GUTHRIE

We made it home on the 5th. Had beautiful weather all the way. The next day we had snow and then for the next few days off and on. Welcome back to Wisconsin! Thanks for sending the MMM news. I'll sure need them in the coming years to keep in touch. Jo Ann Swanke

An update on my neighbor Sherry Dickey. She is home from her second stay in the hospital. She is feeling better but

extremely tired. She will have to gain weight and get her strength back. Dr. says it was an abdominal infection. I'm sure Terry will take good care of her.

I also checked in with Jeannice Walters who has had back surgery. She is home and in a prone position. She either needs to stand or lay on her back for a healing duration.

We wish both ladies a speedy recovery.

Have a good week and batten down the hatches in the midwest against the storms. Pam

Hi, Just in case you didn't receive these minutes from Dave cause I was not able to get to the meeting yesterday morning. Anyway here they are so you can send them out to those on your list and keep them informed of what is going on.

Thanks, Pat
