Hi y'all from Eureka Springs, AR. We stopped here after spending a couple nights at Camp Chapman in Dallas. The hospitality there was wonderful. Thanks again, Marvin and Zee for a great time

I received a couple of notes this past week. The Scheibels wrote;

After a slight detour of a 2 1/2 hour turn around and back to the Tip for something we forgot we stayed in Waco instead of OK the first night. That made it 5 hours longer than it should have. O well!!! Wed. night we had our evening meal with Scott and Mary. So nice to see them on the way home. Claudette - I got my shoes in the mail. Joan N. check with Ed in the office - he had a package for you. Had a good trip home - the most crops that were planted were by us in MN. Thank you all for all the good wishes when I was sick. I am now walking better and still have some foods I cannot eat so the weight is the same and I feel good. You are all so special. Donna
