Brrr from central IL. Came home over the weekend to cold rainy weather. Not at all what I'm used to. It is suppose to warm up only to cool down again. Thanks to those of you who have dropped me a line to let me know you've reached home. Lois and Gordy Skinner wrote:

Had a great trip home and arrived safe and sound Sunday the 24TH. Stopped in Oklahoma to see my sister and then on North. Beautiful weather and second day home the weather change and it's been cold and rainy ever since. Hope it changes soon, can't stand the cold. Thanks for the MMM keeps me on my toes.
Love John and Virginia.

Happy belated birthday to Cliff Simpson. He wanted me to pass on a new e-mail address. He has changed carriers and new address is:

casimpson@q.com **You may want to update your listing.**

Sherry Dickey is on the mend and has written:

I want to thank everyone for your cards, calls, visits, and prayers while I was hospitalized. The month of April is but a blur, but I am feeling much better and am getting stronger everyday.

Talk about incredibly poor timing, Terry and I were moving from unit 925 to 744 when I got sick. My son came from Dallas to help him move the big stuff, but it was really a stressful time for Terry between hospital visits and moving. I have been home for two weeks now, and we are feeling much more settled.

Hope you all are doing well and enjoying your summer homes.

Sherry and Terry Dickey

We are so glad she is on the mend. Hopefully you'll see her out on the tennis courts in the near future.

Wishing all to have a good week.....Pam
