Hello all, Just returned from a girl's trip to New Orleans. The weather was warm and mostly sunny. A very enjoyable time was had by all. Of course the Cajun cuisine and Pat O'Brien's Hurricanes did a lot to make a super trip.

We're glad to hear the Salewskes made it home.

We finally arrived home in Spirit Lake, Iowa Sunday night after spending time with daughter Lori & family in Katy, TX. Attended AAU basketball games, volleyball games, dance recitals, did child care while mom & dad were gone, etc.

Then on to Wheaton, IL to spend a few days with daughter Dawnelle & family. Our grandson Tommy was in the Youth Spotlight musical play, Mulan. Very impressive performances. All the kids sporting events were cancelled due to rain.

Not looking forward to unpacking after being gone for 5 months!! Sounds like you are enjoying New Orleans.

Char & John Salewske

Heather Merkau recently had knee surgery She wrote:

Thanks for the MMMeeting notes. I am home from nursing/rehabilitation home. Not doing bad just no weight bearing so I have learned to hop what a sight. I see the Dr in 2 weeks who will let me know if I can bend my knee. Thanks for all the prayers and well wishes. Heather

Good luck Heather with your rehab.

Cliff Simpson called and said that DeLores fell and will have to have shoulder surgery. Seems like she has torn her rotator cuff. I wish her lots of luck and hopefully it is only a small tear. Also remember that Cliff has changed his e-mail to casimpson@q.com

Fred Moxon posted on Facebook that he has had heart surgery. Hoping he is continuing on the road to recovery.

I am glad to report that the weather has improved in Central Illinois. Weathermen predict sunny and 70's for the next few days. At least it makes leaving the Tip for the Northern states more endurable. Have a good week. Pam
