**My apology if you're receiving this multiple times....cannot bulk send for some reason.....Pam  
Happy Belated Memorial Day to all, or as many of us remember Happy Decoration Day.**

Seems like the weather is warming up for most of us. On my drive to Wisconsin I noticed that crops up North had been planted long before those in Southern Illinois due to the rainfall. I'm just hoping the storms with floods and tornadoes are missing your area.

**I received this wonderful note from the DeVaney's:**

Sorry I didn't let you know when we got home. We were kidnapped about the Texas state line. Were held for \$300.00 in ransom. They wanted gift cards from Lubys & Taco bell. After about 3-4 hours they let us go. They said they could not take any more talk on how great the T.I.P. is & how great all the people are. I told them I have a special friend (Pam) that would be happy to tell them more about the T.I.P. They let us go. Other than that had a good trip home.

Today we had a surprise, John & Char Salewske & John's sister Deb stopped by to see us. They are on their way to New York. It is always great to see our friends.

Be Good John

**I did receive some stressful news. Dear friend, Marvin Chapman, had a slight stroke last Sunday evening. It has only affected his speech, that the doctor says will improve with some therapy. According to his wife, Zee, he's still able to communicate with ease, but at a slower speed. (Now telling a true Dallas Southerner to speak slower may be like watching molasses flow.) Sorry Marvin!!!! Please add him to your prayers.....along with Zela. Note that he is expected to be released today from the hospital there in Dallas.**

**I also heard that the Tipsters who had cataract surgery these past few weeks are eyeballing just fine.**

**Please let us know how things are going in your part of the country. I know the most of us are through with the grand kids's graduations, etc and settling into our summer lives. Take care. Pam**

MONDAY MORNING MEETING: May 30, 2016  
GOOD MORNING

I know that the park population is not right because some of the residents are couples, so take that into consideration when reading this.
