Good Morning from Beautiful, but a bit chilly, central Wisconsin.

First I would like to update you on friend, Marvin Chapman. After a slight stroke he was released from the hospital on Thursday and is doing very well. I spoke to him on Saturday and he is well on his way to recovery. Several have asked about his email address... ..zmchapman57@yahoo.com I am sure he would love to hear from you. Keep on your way to recovery.

We need to wish Phyll Thackery happy belated birthday....the "Kid" just turned 62...

I had a nice note from long time resident Hope Bradford:

I am so great full for your newsletter. I am trying to get OK to go to Oregon. For the last three weeks I have been to Drs. And have been having all kinds of test. They are doing more heart test . I am real short of breath. I had pulmonary test and I passed them. I had pacemaker put in and still go in A-fib. It's been a year since my accident and I still have problems. They are doing echo-cardio gram tomorrow. I am leaving the 14th of June if they let me. My prayers go out to Marvin and Zee. My prayer list is like a sleeping pill it's so long I fall asleep before I am through. I love and miss you all. Have a great summer and stay well. Hope

I received this note from Pat Horak's son:

Dear Friends and Family,

Many of you may not have seen the Facebook information for Patricia Paterson Horak's 80th Birthday Bash so I am resending it by email. The link in the following message will give you a registration for the party and a form for obtaining hotel accommodations if you need them. We hope to see you at this special occasion, but we understand if you cannot make it. Mom is sending on this message because I do not have all your email addresses.

Sincerely,

Chris Stockwell (eldest son)

The best way to get to this page is to copy the link and paste it into your web search. It may not work to just click on it.

That's all I have...remember to keep snapping those summer pictures for the "Our town" next season. Let us know what's happening in your part of the country.....Pam
