**Good Evening from Tulsa, OK**

I'm on a Western Road Trip with friend, Pete. Left IL yesterday morn with temps in low 60's and rain and fog. Now it is 96\* and tomorrow suppose to be in the hundreds. But of course remember, "It' a dry heat!" Anyway, we're looking forward to our trip.

First I want to send a note from Marvin and Zee Chapman:

We would like to thank everyone for their cards, e-mails, calls, and words of encouragement. Marvin has exceeded the doctors expectations on full recovery from his slight stroke. Thankfully only his speech was slightly effected. Marvin and Zee

I heard from Gary and Sherry Collins:

Everything is fine up north and we are enjoying the summer. Thanks for the updates that you send from the Monday morning meetings. It is always nice to hear about our friends from the Tip. Enjoy your summer and look forward to hearing back from you.

Hello Pam and all Tip-o-Texas residents We are having a great summer here in Michigan.I get out every day doing one thing or another. My friend Lois and I go to therapy pool to exercise on the 2 treadmills that are in the pool, My neighbor Marty and I walk behind our Apt. Bldg several times a day. Tonite there will be Party on Mcarty with music, vendors, etc. I can hear the music from my apt. if I am outside. Sometimes I meet Jan Harris at the Mall and we walk there. I'm trying to control my pre-diabitis with diet and exercise. Tomorrow I'm going with a friend to her cottage on Lake Huron. Next week a group of us "Tipsters" will meet at Zenders in Frankenmuth.I know some of you have been there for chicken dinners. So life is good! Your friend, Joan Guthrie

**The Ochs missed the warm sunny south and have returned to the Tip:**

We just returned from a great week in Northern MN. Fishing was pathetic ( maybe it was just us) but had a super time, n the way up we visited the Feldman's in Ortinville MN, and Nickel's in Alexandria, MN then a week in a home rented by our grandson near Tower MN on lake Vernillion. While there we spent an eveningt with the Chos in Cook MN. What a great week!! we returned to our daughter's home in Hartford SD and will pack up some time next week to return to the Tip. Joy's arm is getting better and she will find out on her Dr's visit Tuesday if surgery is needed. I thik he wants us to return to Texas and see an orthopedic DR there to do any surgery, so we will see. Hope your summer is going well and see back at the tip. Dave and Joy

**I appoligize for forgetting last weeks meeting. I moved my mother, Rose Ann Hancock, to an assisted living facility this past week. I am hoping she will adjust quickly. It is so hard to have to leave your long time home. At 91 things are even harder. Please keep her in your prayers.**

Have a good week. Pam
