**Hi from Central Illinois. I'm back to the heat and the humidity. I guess I should have taken advantage of the "Dry Heat" out west. We did have an excellent trip and enjoyed all the sites and activities. I should say it's good to be home, but now it's back to work. There's lawn, weeds, etc., etc.**

**I did receive a couple of notes I would like to pass on. The Yorks wrote:**

Sorry I have been off the grid. We have been doing doc aptments visiting kids and family reunion. Jim's Dr says he is still good to go on our cruise but we have one more appt. Thursday to be sure. I can't remember what I have emailed before but he has atrial fibrillation and is on blood thinners. Also his only pumping half what it should be so he is tired a lot. The Medes he is on upset his stomach . He is on a six month waiting list for an echo- cardio gram . We are on a walking program to build us both up for all the walking tours on our trip and he is getting more stamina. I am buying him one of those bracelet things that chart your distance and heart stuff. Linda

**I also received a note from Sherry Dickey. We're so glad Terry came through his heart surgery and is on the road to recovery:**

Terry and I would like to thank everyone for their cards, calls, and visits, while Terry is recouping from open heart surgery. He is doing well, and we hope he will get a good report from the doctor on Wednesday so we can think about going to Omaha, Iowa, and MN, the beginning of August.

Sherry and Terry

**I want to wish Dick and Bonnie Lynch a happy belated Anniversary.**

**Keep cool and enjoy your summer. Don't forget to snap those summer pictures for the "Our Town."**

**Have a good remaining week. Pam**
