Howdy.....Sittin' in the easy chair with the knee propped up. I had surgery for total knee replacement on Friday morn, and (knock on wood), doing pretty good on the recovery end. I have my first rehab appointment tomorrow, so will know how long it will be before my second surgery. Thanks to all for your cares and prayers. So nice to know I have so many friends who care.

Cliff Simpson wrote a nice note:

Good morning Pam, I know you have been fighting this for a long time & living on rooster comb to keep moving. I'm glad you finely made the decision to get the knee replaced. The last good game of tennis I played was with you when we beat Floyd Sheperdson & John Belkie (**I had to add this for Floyd an John's sake.**) I'm looking forward to playing with you again. I really appreciate all the work you put into the tennis program even when you couldn't play. We will keep you in our prayers for a quick recovery so you can get out & play again. I'm glad you had a good time traveling this summer, DeLores followed you on Facebook all summer & would tell me where you were each week. Looking forward to seeing all the folks at the Tip. Hopefully you are back home or in an excellent rehab facility. My friend at church had his 2nd knee replaced a week ago last Thursday and was at church today with his cane. He hurts but is recovering.I was sorry to hear you had to go through that. No fun but a few months from now you will be back on courts and swinging the old golf clubs.You still have a lot of things waiting to be done.I'll keep you in my prayers.As ever, Marty

I again thank you.....Special thanks to the Fergusons and my nurse, Pete. Have a good week. Pam

Hospital report:

Margaret M. "Peg" (Beverly) Scothorn, 71, of Findlay passed away at 5:45 am. Thursday, September 29, 2016

From Mary Olson: I had a call this afternoon from John Imlah, Virginia's husband. Virginia plays in the percussion section. Virginia fell in her bathroom this past Thursday and seriously fractured a leg between her hip and knee. She had hip and knee replacement surgery on that leg at an earlier time. A five hour surgery was needed, with a plate inserted with screws and wires used also. John said they won't be in Texas until after Christmas or maybe not at all. Too early to know. If any of you want to send a card, I've included their address.Virginia Imlah 13331 Oakwood Ave. Huntley, IL 60142

Pam Brown had a knee replaced and is on the mend. Joan Cuda has had canceled surgery and will be late getting to the tip. Dan Warnecky had gall bladder surgery and is healing OK. Morris Harmon is home after hip surgery.

Midge Sykes passed away in Arizona, Walter Becker (Hugh Insell's so-in-law) passed away this weekend in McAllen.
