I'm hoping everyone had a great Christmas. Christmas Eve service was a wonderful experience. Hats off to Marilyn and all the church committee. A service well done.

Also a special thank you to all the hostesses at the Christmas dinner at the Hall. Everyone enjoyed the great food and the special music was an enjoyment. Even though we Northerners remember the White Christmases of the past, the 80*s and sunshine were quite nice.

Due to our anesthesiologist being sick last Thursday, Bonnie Lynch and I had to reschedule our knee surgeries. Bonnie goes in Tuesday and I go under the knife on Wed. Again, we ask for prayers for a speedy recovery.

Merle Thompson is still fighting for recovery. Please keep him and Marian in your prayers. He is not ready for visitors, but would appreciate cards.

Merle and Marian Thompson
101 E Sioux Rd, #1026
Pharr, TX 78577

Wishing ya'all a very Happy New Year. Since I'm afraid I'll be on painkillers, have a toast for me. Remeber how short life is. Make every day your very special day. Bless you....Pam
