Good morning. First I want to pass on a note from the Collins. They left for Canada to look after their son. Our prayers for son, Ron, and the family.

Just a short note to let you know how our son Ron is doing with his battle with cancer. Within the next two weeks, they are going to remove the cancerous lymph nodes. At that time they plan to conduct further biopsies. This should tell us the severity of his cancer. We are all hoping for the best. Thanks for your prayers and well wishes. We will keep you posted.

Best wishes,
Sherry and Gary

For those of you who are unable to join us here at the Tip, we are sympathetic for your winter storms. Weathermen predict temps in the high 80's, even possibility of 90 this week. *

***Have a safe, healthy week. Keep those listed on the hospital list in your prayers. Pam*
