Pam Brown is taking over the recycling in Linda York's absence and has asked that the following guidelines be followed..

The City of Pharr picks up our recycles once a week.

If you bring recycles and the bins are full, please put your recycles in the trash. Do not overflow the regular recycle bins.

Please crush plastic bottles, especially gallon jugs, before putting them in the recycle bins. Saves a lot of space.  
We do not recycle corrugated cardboard. We do recycle light cardboard such as cereal boxes etc

The recycle center on 495 to the east of the park will take the larger cardboard items.

Do not put items in the recycle bins in plastic bags. Empty the bags and then place the bags in the bins especially for them.

Thank you. We want the recycle program to continue.
